

We know you're
on the go!

Legence Bank 'gets' that during these busy days and especially during the holidays, you want to spend the most time possible with family and friends.

We're always happy to see and serve you in our Southern Illinois and Evansville, Indiana bank branches, but we also want to help you save time and serve you the way you want to be served.

That's why Legence provides more convenient technology like online banking and the new Legence app, so you can access your account 24/7, check your balance or transfer funds on-the-go and keep on shopping, dining and making memories.

During the holidays and EVERY day Legence Bank is honored to go the extra mile to bring you, your family and your business financial solutions and resources for your success.

*We are thankful to be your community bank,
and wish you and yours wonderful holiday memories
and prosperity in the new year.*

Legence Bank will be closing all branches at
12 Noon on Christmas Eve, Tues. Dec. 24 and
