

INTERNSHIP PROGRAM:
AGRICULTURAL LENDING

The Agricultural Lending Internship gives college students hands-on experience in ag finance and community banking—from farm operations and cash flow to underwriting, closing and servicing loans.

Week 1 – Community Banking & Ag Lending
See how ag lenders support farmers and rural communities.

Week 2 – Farm to Financials
Explore farm revenue, expenses and financing needs.

Week 3 – Understanding Farm Financials
Learn how lenders evaluate financials and tax returns.

Week 4 – Agricultural Cash Flow
Build and analyze farm cash flow and repayment ability.

Week 5 – Underwriting an Ag Loan
Learn how financials, collateral and risk drive credit decisions.

Week 6 – Behind the Loan
Follow a loan from application through closing and servicing.

Week 7 – In the Field
Visit farms and experience ag lending relationships firsthand.

Week 8 – Ag Loan Programs
Explore financing options, including FSA and Farmer Mac.

Week 9 – Put It All Together
Follow an ag loan from customer need to loan structure.

Week 10 – Ag Credit Presentation
Present a mock agricultural loan recommendation.
