quarter

Grocery Shopping

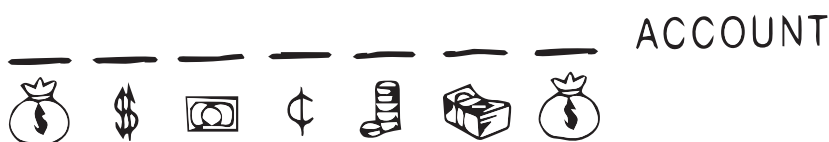

Draw a line to the fruit with the price tag that matches the coin.

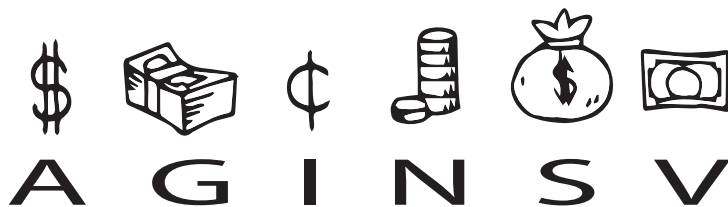

Saving money is smart!

Use the key code to find out the name of an account that helps you save!

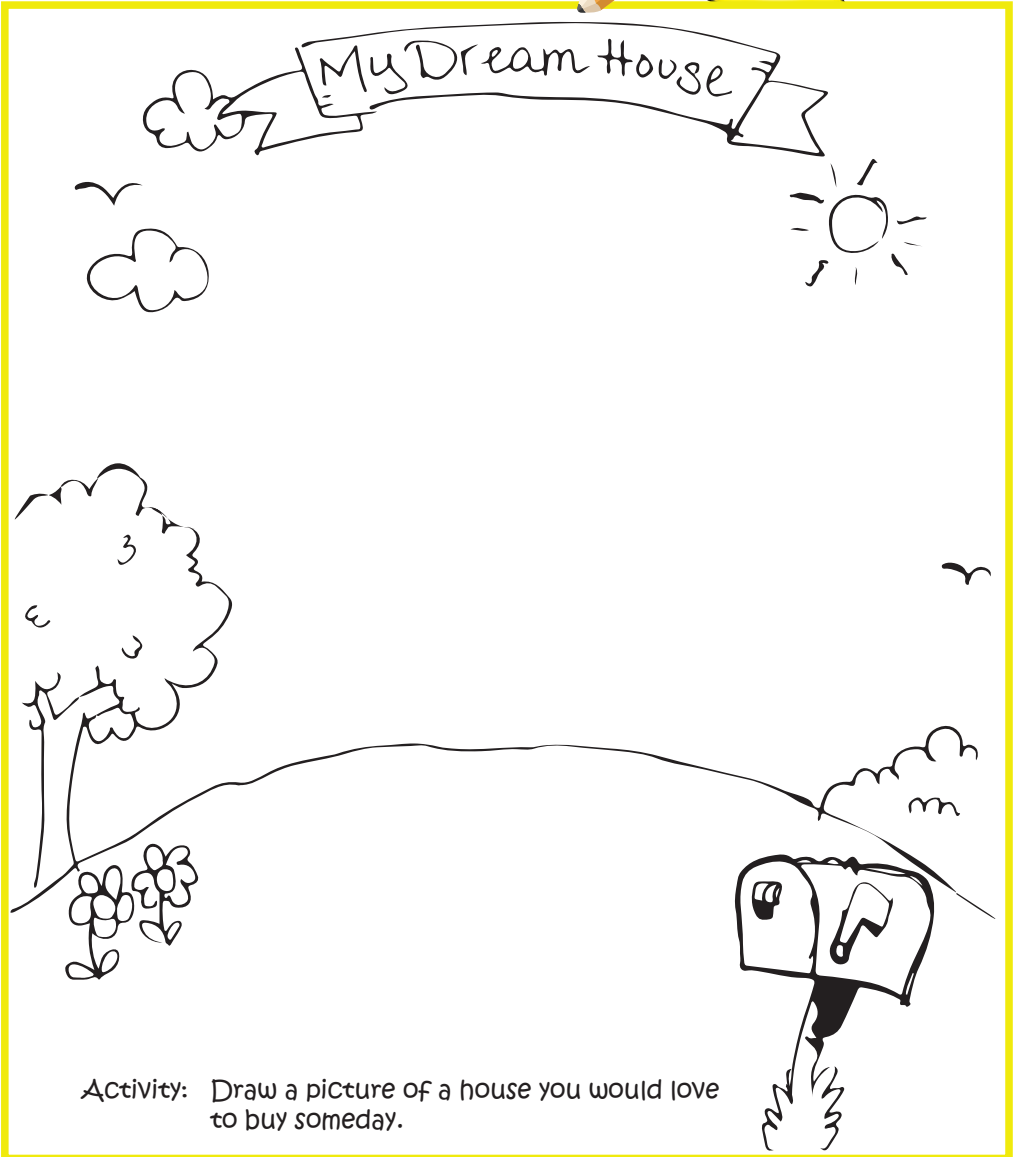

Key Code

Saving

Lucky knows that it is smart to save your money. If you save, you will be able to buy nice things when you are older like a house for you and your family. Will you draw the house you would like to live in someday?

Good job, Super Saver!

Activity: Draw a picture of a house you would love to buy someday.

Help Lucky find all the change!

Make a square around the quarters, make an X on the dimes, make a circle around the nickels, and make a strike through the pennies.

Quarters:

How many did you find: _____

Dimes:

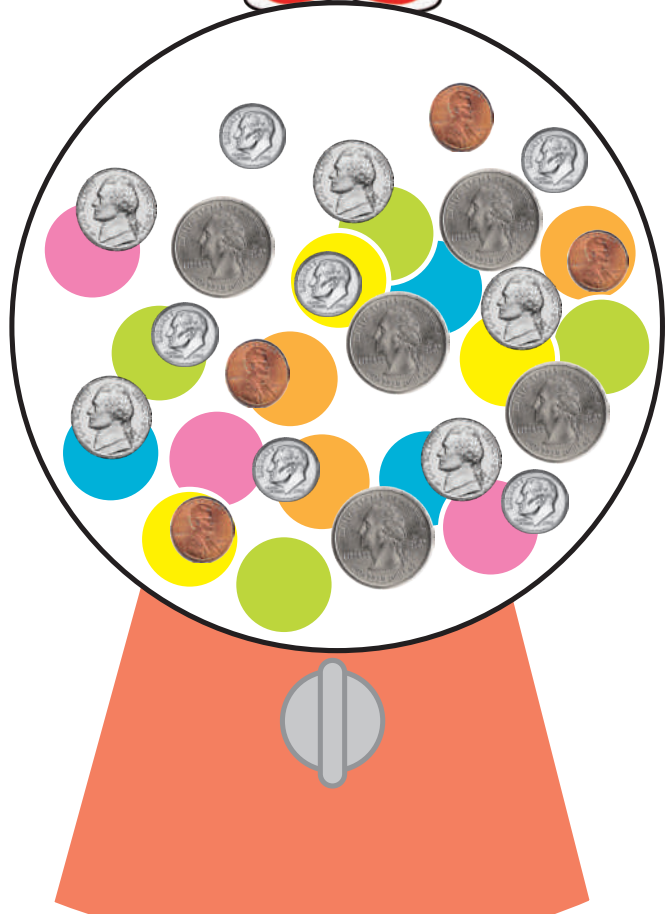

How many did you find: _____

Nickels:

How many did you find: _____

Pennies:

How many did you find: _____

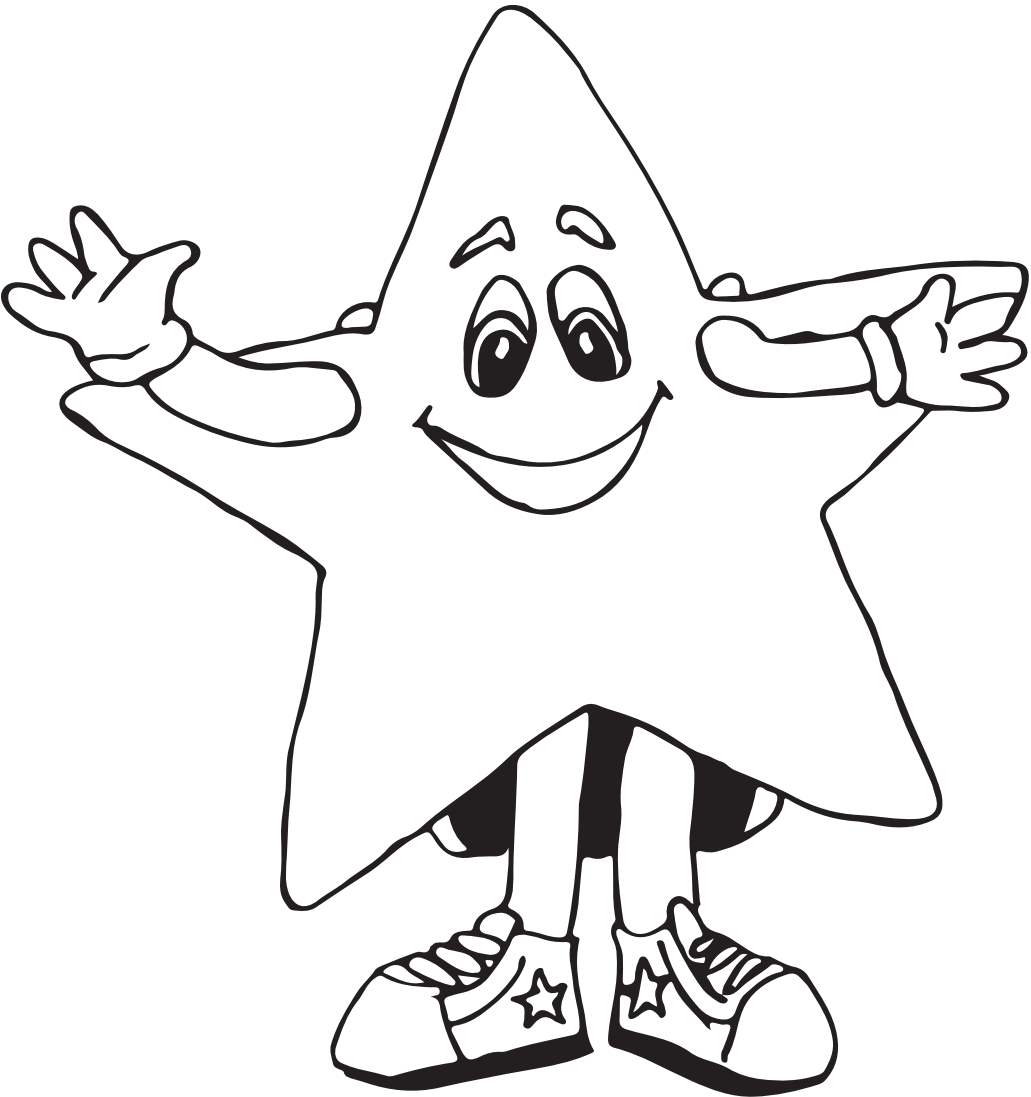

Help Lucky deposit his money in the bank.
