CHARITABLE GIVING PROGRAM

Charitable Giving Program

At Legence Bank, we strive to carry on our legacy—a 112-plus year tradition of caring deeply for the communities we serve. We have supported many projects that have made a positive impact on individuals and families. We maintain our long history of compassion with community involvement, monetary contributions, and our employees dedication to volunteer service.

Legence Bank began as a small bank driven by a flourishing coal mining community. Today, we still serve the same communities, while also growing to reach new customers. Giving back has always been our philosophy at Legence Bank and we strive to continue that philosophy by supporting education, community sports, arts, economic development, social programs, and so much more. We enjoy adding extra value to the communities we serve.

We encourage everyone interested in support from Legence Bank, to complete our donation form. Please mail, fax, or drop the form off to any of our local branches.

Thank you,
