

DEPOSITOR CONTROL PANEL

Statements

The Depositor Control Panel (DCP) is a secure website that was specially created to help you manage your ICS and CDARS account(s).

To access electronic versions of your monthly ICS statements, log in to the DCP on the first business day of each month. If applicable, you can also download CDARS statements and notices when they become available. Once you log into the DCP, click on the Statements link located on the home page. You will then be prompted to select an account and download the statement.

You can also retrieve your statements from the account page.
