FOR IMMEDIATE RELEASE

Legence Bank Announces Transition to Enhanced ATM Services

Eldorado, IL., April 7, 2025 -- At Legence Bank, we are committed to providing our customers with the highest level of service and convenience. We want to inform you of an important update regarding our ATM services.

Due to the unexpected closure of our ATM vendor's business operations, Legence Bank has secured a new provider and is actively working through the transition process. While this change was unforeseen, we are excited to be moving forward with enhanced ATM machines that will offer improved features, greater reliability, and added convenience for our customers.

We understand that this transition may cause temporary inconvenience, and we sincerely apologize for any disruption it may bring. Please rest assured that we are doing everything possible to minimize the impact and complete the transition as quickly and smoothly as possible.

Effective April 8, 2025, Legence Bank will automatically reimburse all foreign ATM fees for our customers during the ATM transition period. We want to ensure you continue to have convenient access to your funds without any added cost while our new ATM machines are being installed and made operational. There's no action required on your part—any foreign ATM fees will be reimbursed automatically until the transition is complete.

We appreciate your patience and understanding as we work to bring you enhanced ATM services. If you have any questions or need additional assistance, please contact your local Legence Bank branch. Our team is here to support you and ensure a smooth experience throughout this process.

Thank you for your continued trust in Legence Bank. We are excited about the enhancements coming your way and look forward to providing you with an even better banking experience.

Legence Bank

Legence Bank began providing banking services in southern Illinois in 1906. For more information, visit [LegenceBank.com](https://www.LegenceBank.com).
